FEEDBACK
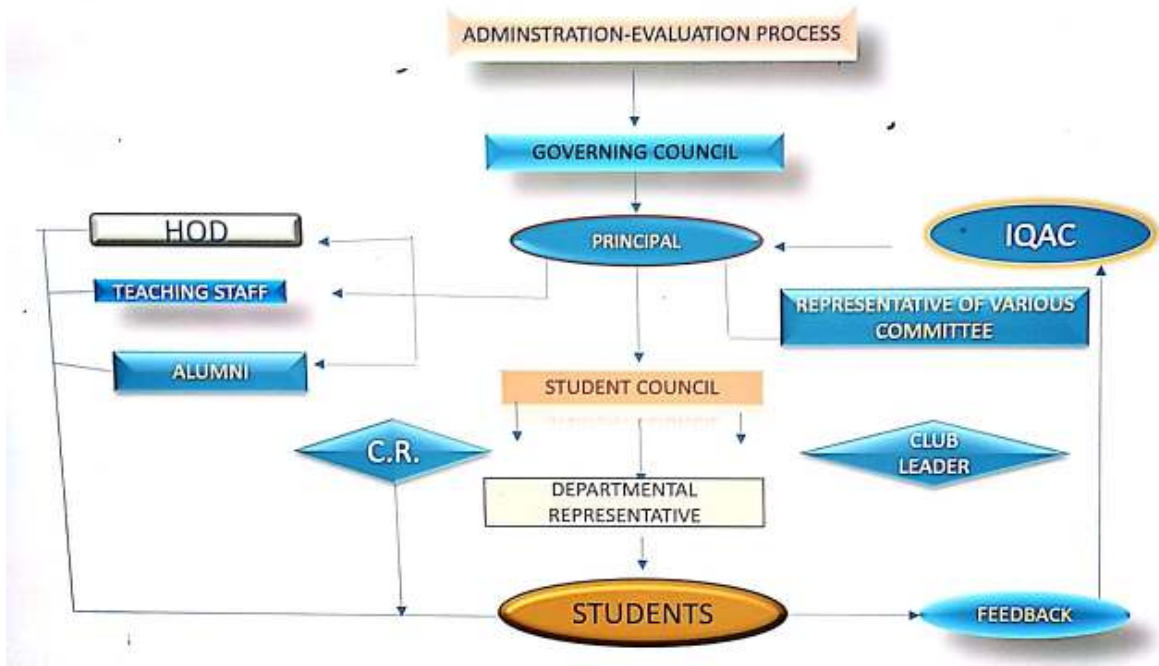

| 6.3 | **Quality improvement strategies adopted by the institution for each of the following:** |

| 6.3.1 | **Curriculum Development** |

- ➢ The college is affiliated with the University and therefore the general courses designed for affiliated Institution are common in nature.
- ➢ In integrating institution goals and objectives with the university curriculum, the academic programs are designed in the form of calendar and accordingly it is going to be executed.
- ➢ Keeping in view of the goals and objectives of the Institution, college offer.
- ➢ These courses are need based and job oriented courses as per their local needs termed as add-on courses. At the end of year, the students are awarded a Certificate/Diploma/ in an add-on orientation course along with a conventional degree in science.
- ➢ The students are also encouraged to participate in national programs, such as-Pulse Polio, Blood donation, services at time of natural calamities and other programs.
- ➢ The curriculum is supplemented with add on courses to the students which are benefited in the best possible manner.
- ➢ The college enriches the curricular activity by addition of field work, field visits and industrial visits.
- ➢ The college prepares the students to face the ever changing markets to enriching themselves by doing project work, group discussion and seminars.
- ➢ In addition, English department of our college runs Spoken English Course for the students for better prospects in job market.
- ➢ Suggestions received from the students are regularly communicated to the BOS of university of the concern subjects.

6.3.2 Teaching and Learning

- ➢ The teaching learning process is monitored and evaluated by the Principal of the College.
- ➢ The quality of teaching and learning is also assessed on the basis of the results of the subjects. At the end of every semester, the results of each subject and every paper are scrutinized and if the results are not satisfactory, it is communicated to the teacher and asked to improve the results next time.
- ➢ There is no formal system for the monitoring and evaluation of the quality of teaching learning.
- ➢ All the class rooms are under the watch of CCTV Cameras. The Principal and senior most teachers always observe the footage of teaching learning process in the class rooms.
- ☐ Sometimes the Principal take rounds to the classrooms and Laboratories to monitor and supervise the teaching learning process. It yields positive output by the first-hand knowledge of them.
- ➢ Sometimes the Principal and also attend the lectures at the class rooms to evaluate and assess the status of teaching learning process.
- ➢ They advise the teachers to make amends and improvements of the short comings in the teaching learning process.

- Student's feedback is taken and suggestions are invited from the students regarding their expectations from the teachers.

The IQAC gets the evaluation of the teachers done by students and external peers. The IQAC takes oral feedback of the teachers from the students and their guardians. At the end of every academic year, students give feedback of individual faculty members based on their teaching skills in the prescribed format. If any faculty or Department doesn't meet the benchmark on feedback, they are counseled by the

Principal for improvement in teaching skills and results. The IQAC also monitors the teaching methodology by CCTV cameras.

Quality of the teaching – learning process is evaluated by using following criteria:
1. Feedback from parents obtained by Parent Relation Officer (PRO).
2. Feedback from students through suggestion box and feedback form.
3. Result analysis.
4. Oral Feedback from students and parents.
5. Online feedback on website.

Human resource management:

-
-
- The management is committed to the academic development of the college.
- The administration is fully decentralized and total functional freedom is given to the head of respective department.
- Various other committees are formed to monitor the Co-curricular and other activities.
- The faculties are the members of these committees and they perform their role with the help of nonteaching Staff.
- Regular feedback is taken from the stakeholders and if needed the suggestions are conveyed to the respective component.

Staff Recruitment:

The College is an aided College. It follows the norms of recruitment of teachers given by University Grants Commission and Government of Maharashtra. The policy of recruitment is as follows:

- The policy of recruitment is transparent.
- During recruitment of staff, the College advertises the vacancies of posts in University News, some national and state level newspapers.
- After getting application from the candidates, these are scrutinized.
- Thereafter the College demands the selection committee from University.
- The selection committee comprises the Management Members, Principal, Government Nominee, Vice-Chancellor's Nominee, two subject experts and head of the department of concerned subject.
- The eligible candidates are called for interview.
- The selection committee conducts the interview as per the guidelines of the University and selects the most eligible candidates.

- The College arranges ICT training programme by the dept. of Comp. Sci. for teaching and non teaching staff to enhance their Professional capabilities.
- The faculties are motivated to organize and participate the Conferences, Seminars and Workshops.
- The Faculties are encouraged to attend the orientation programmes, refreshers and short term courses for the enrichment of subject knowledge.
- Faculties are motivated to apply for major and minor research projects, career oriented courses to the diff. funding agencies to nurture professional developments.
- The faculties are encouraged to take research activity through Ph.D. and management sanctions study leave for the same.

6.14 Initiatives taken by the institution to make the campus eco-friendly

Various initiatives are taken by the college to make the campus eco-friendly.

Energy conservation:

- The main source of energy is electricity.
- At most care is taken to save electricity by taking proper maintenance of the wiring and electrical equipment.
- To conserve energy we use CFL bulbs, fluorescent lubes, refrigerators with power saver remark.
- The computer screens with the LED backlight so that it requires little energy.
- All the constructed buildings have adequate ventilation of natural light hence during daytime minimum requirement of energy is there and hence energy is conserved.

Water Harvesting:

- Water harvesting arrangements are made in the campus with the help of NSS volunteers.

- In the Chemistry laboratory the water harvesting system is in working order during rainy season.
- Roof water is collected and used as distilled water, which is used by all laboratories throughout the year.
- For specific practicals glass distilled water is used which is prepared in Chemistry laboratory using glass distillation plant.
- In the campus, Contours are made to stop run off rain water for effective ground water recharge.
- Our main resource of water is well which is situated on slope level and rain run of water is used for ground water recharge.

Efforts for Carbon neutrality:

- The greenery around the institute helps to neutralize whatever carbon by products that are generated.
- In the campus trees are planted and spacious area is present.

Plantation:

- The college is aware about the eco-friendly environment around the campus in the context of global warning problem.
- The campus is full of green trees. The college has planted different types of trees in the campus.
- We are creating green Zone in front of Chemistry Department and library building.
- Due to universal problem of water shortage we have made the arrangement like drip.
- As a result our campus has become full of greenery and beautiful.

Hazardous:

- The waste material is dumped.
- Acids, alkalis and other chemical are drained with plenty of water so that they are diluted and cannot cause harm in the laboratories.
- Acids are stored in the glass bottles.
- The stoppers of all the bottles are regularly checked.
- Exhaust fans are provided in laboratory to expel gaseous waste.
