CULTURAL DEPARTMENT ACTIVITY REPORT: 2019-20

Cultural department conducted various cultural activities as per the academic calendar of college. The members of this committee are four and principal is president. The importance of social and cultural activities is preparing students for real life and strengthening their personal skills. Cultural activities not only help students to identify themselves with the college, but also assist students to develop themselves in a desired field and also improve skills such as organizational, presentation, leadership and inter personal communication. As social and cultural activities are of paramount importance, the college encourages all extra-curricular activities that are both in line with the educational objectives of the institution and meet the needs of the students. Culture can be defined as the arts as well as the intangible shared beliefs, values and practices of a community. Students participate in arts and culture at varying levels of skill and engagement.
