**Syllabus for Semester System**  
**Bachelor of Arts, Part-II, History**

**1) TITLE:** World Revolutions-I & II

**2) YEAR OF IMPLEMENTATION:** Revised syllabus will be implemented from June 2014 onwards

**3) OBJECTIVE OF THE COURSE:**

The primary objective of the course is to introduce the students to the important events which have happened in the world in modern times. These events which were revolutionary in character had a profound impact on the making of the modern world. They brought about sudden big changes not only in the country in which they happened but also the world in general. Most of them left a lasting effect on the thought and the socio-political and cultural conditions of mankind. The course has been framed to make the students aware of the change and impact of these revolutionary events.
