### SOME SUGGESTIONS

1. Interact with students in each subject and get their opinion. Students should be given as much help as they need in terms of education. Take the above exams taught in the last week of each month.
2. Still connect every student with zoom meeting
3. They teach on blackboard but they have also teach on LCD projectors. Experiential learning Try to reach every student and ask for their doubts Use better graphics and visual media to engage students well
4. Encourage active and practical learning. Try to reach every student and clear their doubts. Provides hands on practice opportunities.
5. Learning and total experience about our institute is excellent .We are lucky. We met such teachers.
6. Experiential learning. Try to reach every student and ask for their doubts. Make teaching
7. All teachers are teach ICT based teaching and improve teaching quality. Some teachers strongly communicate with students in class. Teachers promotes students for seminars for improving teaching and learning process.
8. To give improvement in Internet facility of our collage. To increase no. of reference books in library.
9. 1. We should emphasize on practical learning. 2. Use better graphics and visual media to engage students well. 3. Try to reach every student and ask for their doubts. 4. Make teaching a two way interaction.
10. Taking New experiment about the studies to make strict rules for college campus to get different activities in college for students
