Study Tour Report 2021-22

Introduction

The purpose of educational tour was to provide students with practical and theoretical experience of field work. The students of 2nd year class, Prof. Pol S. H. and Prof. Mulla A. A. of Zoology visited the Bhigwan Bird Sanctuary for their annual educational tour on 31st May 2022. The tour offers study of biodiversity of Aves specially migratory birds in Bhigwan Bird Sanctuary. The students of Zoology department able to understand biodiversity and its relation with environment. Adaptations of birds can be well understood in their habitat only.

Objectives of the Study Tour

The objectives of the study tour are as follows:

1. To increase interest of students in zoology.
2. To enhance the knowledge about the Aves.
3. To study adaptation and habits of local birds.
4. To study applied Zoology, implementation of scientific knowledge.

Analysis of Study Tour

As per syllabus of Shivaji University Kolhapur for S.Y. B.Sc. we study the Bhigwan Bird Sanctuary. We visit this Sanctuary for bird watching. Study tour give such opportunity of observing different birds and their habitat that is their natural home. We observed and study these birds. The habits like feeding, swimming, flying, group behavior, alertness are seen in this tour.

During return journey we also visit A.R.T. Institute Phalatan. (Appropriate Rural Technology Institute) This Institute has vision to serve as an instrument of rural development through application of scientific knowledge and technology and to improve the quality of life and standard of living of the rural inhabitants of India.

The mission of institute is to generate novel employment opportunities in rural areas with help of Innovative appropriate rural technologies. Resource

Person of this institute explain innovative appropriate rural technologies which are as follows:

- 1) Fuel briquettes from light Agro waste
- 2) Low- Cost Water Tank
- 3) Improved Cook Stoves (Chulhas)
- 4) Solar Dryer
- 5) Low- cost green house
- 6) Single barrel kiln for char powder
- 7) Compact biogas system
- 8) Sarai Cooking System
- 9) New Nursery Techniques
- 10) Farming on permanent raised beds

Outcomes of Study Tour

Outcomes are as follows:

1. To study birds in their natural habitat.
2. To classify birds.
3. To understand the correlation between manmade activities and bird biodiversity.
4. To study and discussed about generation of novel employment opportunities and application of scientific knowledge and technology

Appendix-1

20 Students participated in study tour. 18 Students are participated in field visit at Poultry Farm.

To,

The Principal

R.S. B. M. Aundh.

Sub – Permission for B.Sc. II Educational Tour.

Respected mam,

Educational tour B.Sc. Part II Zoology students will be arranged on Tuesday 31/05/2022 at Zoologically interesting places such as Kumbhargaon, Bhigwan, Backwater of Ujani Dam.

The list of participated students and faculties attached here with. Please sanction the same.

Yours faithfully

Department of Zoology.
