**Report on Vanrai Bandhara at Siddeshwar Kuroli**

National Service Scheme (NSS) of Raja Shripatrao Bhagwantrao Mahavidyalaya, Aundh had organized the building of Vanrai Bandhara activity at Siddeshwar Kuroli during its special camp at Gursale on 19<sup>th</sup> Jan.2024. This activity was organized to aware the importance of water conservation of village. This activity was inaugurated by Sarpanch of Gursale village in presence of Gram Panchayat members, NSS committee members and NSS volunteers. About 100 NSS volunteers had built of Vanrai Bandhara. They constructed Vanarai bandhara or Bunds across a stream of water using gunny bags refilled with locally available soil or sand. These bags are sealed properly and are arranged in the form of a wallbarrier. This is a temporary structure built across water course to collect the water as well as to reduce the velocity of stream so that infiltration rate of water increases. It helps in replenishing the aquifer below the river bed resulting in increase in ground water level in the surrounding area. The building of Vanrai Bandhara activity was motivated to the people of Siddeshwar Kuroli regarding water conservation of village.
