Evaluation and communication process is introduced for making more transparent and robust. In this process, assessing investigators communicate students and give assurance regarding examination and brings transparency in examination and assessment process. The evaluation and communication process creates faithful relationship between students and teachers. Strictness and Transparency maintained as follows:

1. Mid-term internal examination is conducted regularly as per the university syllabus and its compulsory for the students.
2. Question papers are set as per the university examination format.
3. Confidential Printing and Xeroxing of question papers are maintained properly.
4. Answer books assessment as per the rules and regulations of the University.
5. Declaration of marks of various subjects of internal examination in the class room.
6. Hand over answer books to the students for verification of marks and answers.
7. Organized meetings with the students to clarify doubts and queries by the faculty.
8. Guidance regarding examination is given to the slow learners.
9. Tour reports, bank visits, field visits, field surveys are conducted and strictly monitored by subjected teacher.
10. Practical work evaluation is carried out annually by the faculty. Internal evaluation process runs continuously throughout the year and every department maintains the record of internal examination.
